

Situated in the heart of Greenstone, it harnesses nature's raw beauty and combines it with a refined contemporary design of 331 sectional title apartments consisting of 5 unit types. It boasts of a lifestyle park which presents a sanctuary of wellness and calm as well as room for personal expression with its child and pet friendly environment.

This 6 storey, fibre optic residence has elevators and top of the range fixtures and furnishings with breathtaking views. A safe environment with the convenience of lockup & go as there will be 24hr security and patrol within the complex.

Emerald Skye allows the best of both worlds with incredible views of Johannesburg and the tranquil lifestyle park in the development.
